

Application Form

The YIN Canada Committee (the “YIN Committee”) seeks interested and dedicated volunteers for the membership term commencing in January 2022. The YIN Committee strives to create opportunities for Young IFA Network members (“YINs”) to encourage YINs to participate actively in scientific research relating to international/comparative fiscal law and the financial and economic aspects of taxation, as well as to promote social networking with fellow professionals at the IFA Canada level and worldwide.

YIN Committee membership is open to tax professionals who have worked in the taxation field for fifteen years or less. The deadline for submitting applications is **Friday, August 27, 2021**.

The YIN Committee is a working committee rather than an honorary board. We are looking for members who will actively contribute. Members attend regular teleconference meetings and are expected to plan and take part in professional, educational, mentoring and networking events for YINs.

The YIN Committee’s composition aims to reflect the diversity of the IFA’s membership, including representation from a range of different organizations, geographic locations and tax experience/practice.

Please include a copy of your resume or online profile with your application.
